GRAND HIGH PRIEST REPORT

M.:E.: Companion R. Sean Gardiner

Greetings Companions. It has been my greatest honor in traveling throughout Minnesota visiting our Chapters and Companions. This year of revival has been a welcomed reprieve from the vexations and consternations of the past. To quote Walt Disney, "We keep moving forward, opening new doors and doing new things, because we're curious...and curiosity keeps leading us down new paths." We have been moving forward, giving it our all, and enjoying the journey.

The strength of our Chapters is built on the foundation left by our predecessors and the conviction of our companions. Our predecessors built up our craft, building and growing Royal Arch Masonry to span the furthest corners of the state. Our companions exhibited incredible strength in adapting to the rapidly changing times. "Change is vital, improvement the logical form of change.", J.C. Penney. Our companions stepped up into new ways to meet, fundraise, and enjoy each other's fellowship. The companions continue to pull our newest lessons into how we manage the craft. Lessons that taught us patience and perseverance. Lessons that taught us improved inclusion and fellowship. "Inspiration is needed in geometry, just as in poetry", Brother Alexander Pushkin. Minnesota Chapter No. 1 was already nationally recognized for the Retreat they hosted annually. Other Masonic Bodies, outside the Royal Arch, are emulating the model set forth and incorporating similar retreats for their members.

It hasn't only been the longstanding Chapters rising to the occasion, but our newest chapters have led in new ways to fundraise and grow our membership. Shekinah Chapter has a history of innovative and successful fundraising, starting with their Renaissance Fest efforts and continuing with their recent meatloaf dinner.

None of these activities would have been possible but for our combined strength. Brother J. C. Penney has said, "Growth is never by mere chance; it is the result of forces working together." And "The best teamwork comes from men who are working independently toward on goal in unison". Both of these quotes showcase the importance of all of us working together to achieve our goals in our Chapters. Our companions have not only bonded together for their own Chapter but have continuously ventured out to support other Chapters. This is usually in the form of ritual assistance but has also been shown by supporting each other's fundraisers.

As I look to the future, I am reminded of the motto of a friend. REPGC Patrick Sullivan taught me the value of "TEMPLE". To Teach and Educate our members, Master and Perform our ritual, Lead and Excel the York Rite into tomorrow.

There are many ways we can Teach and Educate. We should present education at our Chapters. The most common request from our companions is for more light. Let us share of our knowledge and partake in the knowledge of others in presentations at our Chapters. Let us teach and educate our Companions, so that they can help others build their Masonic edifice. We can all share our knowledge when visiting our neighboring Lodges and presenting on the benefits of Royal Arch Masonry.

The Royal Arch degree is one of the oldest degrees in all of Masonry. What better way of honoring that heritage than by Mastering our ritual. Let us give our new companions the experience they crave and deserve by Performing it with a high level of proficiency. I understand the prolonged level of commitment this will take, but it begins with the first step, the desire to try. Masonry didn't become what it is in a single day, nor have any of us, it has been years of work.

Let us take up this work and Master our ritual. "No man can climb the ladder of success without first placing his foot on the bottom rung.", Brother J.C. Penney.

"Progress occurs when courageous, skillful leaders seize the opportunity to change things for the better.", Brother Harry S. Truman. We can Lead and Excel in many ways and by many methods. One method your Grand Chapter Officers have taken is to make improvements in our Constitution to ease the burden of running a Chapter. There were several improvements made over the last several years, but the officers are not resting, there will be resolutions made in the future to continue improving our methods of operating.

The Grand King and Grand Royal Arch Captain have also worked diligently to dissolve King Solomon Chapter. This dissolution will move companions from King Solomon to other active Chapters around the state. Giving all companions an opportunity to participate in a fully functioning Chapter. This does not prevent those Chapters that had folded into King Solomon from being reestablished by Companions in the future. Our constitution allows for the rechartering of Chapters that fulfill all the requirements and qualifications. This is exhibited in the opportunity to reissue two Charters this Grand Convocation. Both Vermillion Chapter and Shekinah Chapter have met all the constitutional requirements and prerequisites to request their reissued Charters. I strongly encourage our Companions to honor their tireless hard work by granting their requests at this Grand Session.

We can also excel by partnering with the St Paul Valley of the Scottish Rite for Rite Night this fall. Expressing the value of continuing the Masonic Journey and the fellowship that exists between us all. It is planned to be an evening of education on all of Masonry and its value to us all.

"I violate no secret when I say that one of the greatest values in Masonry is that it affords an opportunity for men of all walks of life to meet on common ground where all men are equal and have one common interest." Brother Theodore Roosevelt. During my visitations, I have been inspired by the various Traveling Trophies given by the Lodges. The trophies range from gavels to banners. The trophies are won by attending during a degree, or by having your candidates prove up in the other Lodge. They are also won by furthest distance traveled or most brothers attending. Chapters could devise their own Traveling Trophies to encourage visitations, both to other Chapters and to your own. "I could never resist the call of the trail", Brother Buffalo Bill Cody.

Please accept my sincere thanks for all the courtesies and gracious hospitality shown to the office I held during my visits. All the Companions that have and are serving in your Chapter and Grand Chapter, are doing so out of a love for our craft. Your continued support encourages them and others to make this great sacrifice with renewed energy and vigor. I think back on the leaders when I first became a Royal Arch Mason. Their dedication, patience, and guidance filled my journey with light and brotherly love. I often took the lessons I learned in Chapter back to my Lodge. We dedicated ourselves to learning and performing the ritual at a high level. We reveled in our fellowship with the same passion and fervor. Our Post Meeting Symposiums were evenings of legend. Many Excellent Companions; taught, guided, and continue to support me in my journey. I thank them all for the investment in my development and growth. As you reflect on those that inspired your journey, remember their sacrifice. Please continue encouraging and supporting your fellow companions. "The real secrets of Masonry are never told, not even from mouth to ear. For the real secret of Masonry is spoken to your heart and from it to the heart of your brother. Never the language made for tongue may speak it, it is uttered only in the eye in those manifestations of that love which a man has for his friend, which passeth all other loves." Brother William Howard Taft.

As the Tyler so eloquently shared with us, "Happy to meet, sorry to part, happy to meet again". Until we meet again.

Respectfully Submitted
Companion Sean Gardiner

GRAND TREASURER'S REPORT

The Profit and Loss Statement for the fiscal year ending May 31, 2022, is attached. You will notice that we had a net operating loss of \$718.00. This was primarily due to overestimating the Per Capita and not receiving reports or income from 4 Chapters.

The Trustees allocated Life Membership earnings of \$14,671.69 for 2021 which is up from the previous year. The distribution process to the Chapters was modified three years ago. In the past, the Chapters had to pay per capita on all members. Later they would receive the per capita for the life members from the earnings distribution. This placed a financial burden on some Chapters. Now the Chapters only pay per capita on regular members. The per capita for life members is deducted from the life member earnings before the distribution to the Chapters. This process is appreciated by the Chapters. The Grand Chapter is authorized to take 5% of the earnings for administrative costs of the Life Membership Program. That amounts to \$733.58 this year. We did not take that fee but left it to be distributed to the Chapters. This fee would have balanced the budget. The earnings are allocated to the Chapters based on the amount of funds they have in the program. If there is not enough allocated to the Chapter to cover the Life Member per capita, the Chapter is not penalized and the Grand Chapter does not receive the full amount of Life Member per capita. See the attached charts for the allocation and distribution of these funds.

See the Finance Committee Report for the proposed budget for the 2022-23 fiscal year.

The financial statements and documents were reviewed on June 7, 2022, and found to be in good order. See attached report.

I thank the Companions for the trust they have bestowed on me. I hope to continue refining the processes and to providing a service to the Chapters.

Respectfully submitted,
Gary A. Odegard, PGHP

The following figures are presented to show you the progress of our funds during the past five years of the economic conditions. Our investment fund has been able to hold a good investment income return and when some funds are maturing this amount is being placed in US Gov Secured Money market For security until our world and market become safe to invest world war action and political turmoil. The coronavirus apprehension in investing but our assets were secure and investment income was maintained. Our life membership fund is invested in secure funds that draw less interest. But our portfolio is secure. With low interest rates, securities have been prime investments, causing lower interest return. This fluctuation is being controlled using a portion of funds in a fixed return. We feel our broker is competently handling our funds. The rate of return, if figured on the total investment fund of \$631350.67 is 4.01%. If it is figured on our recovered financial worth of \$369437.20 would be 6.01%. We are confident that our investments and counsel are in good condition.

The report of investment funds is verification of investment funds. It is the practice of the trustees that no funds are to be handled by the trustees all money is transferred or dispersed through the Secretary/Treasurer accounts. All jewels and materials are in the Grand Secretary's office for safekeeping.

Investment Funds:

Additional accounts – King Solomon Trust. This is money transferred by consideration to King Solomon Chapter. The SEC/TRES is the Grand SEC/TRES of Grand Chapter. Since the desire of King Solomon Chapter is to keep chapters alive or consolidated with other functioning chapters. These assets would be transferred if this chapter requested a consolidation to another chapter. This fund will earn interest through the investment fund.

Triennial Fund:

This is a request for funds for delegates to the triennial representing Minnesota. It is a yearly amount of \$900/\$300 per delegate. Since this is an expense and not an income each year \$900 is deducted from the interest to show an annual deduction instead of a large sum every 3 years. It is more fiscally responsible. This year, no one attended the triennial, so there was no additional money set-aside for delegates. This will be in trust for next triennial.

Our investments and resources are financially solvent and in good condition. Our broker has followed the proposed handling of funds that maintain a good return but with a conservative level of risk. Our brokers have a working knowledge of our needs and dispersal of funds. We have an excellent relationship with their service and ability. To better serve a portfolio in bonds and stocks with grade A quality, our broker changed his brokerage dealer to IAA, Internal Assets Advisory. Our clearinghouse is IBC. Due to untimely validation of ownership, our transfer was delayed causing money flow delayed. This was reflected in an increase in income from 2020 year. Our new brokerage firm is Financial Advantage Wealth Management LLC of Fargo, ND. They are Richard Engen, President and Jeff Wallgren, Investment Executive. Our new group has a station in the twin cities, which makes handling legal papers much easier and faster

for the trustees and secretary/treasurer. I have met with them and been assured by their proposals and information that they know and understand our goals and institution. Any matters that are of a constitutional or regulation nature are transferred to the jurisdiction committee for a ruling. We find the Grand Chapter to be in good condition and in good hands.

REPORT OF THE GRAND SECRETARY

M.:E.:Companion Gary A. Odegard

Thanks to the help of the Chapter Secretaries, the database is getting better each year. Membership dropped again this year. We had a net loss of 71 companions in 2020 and a net loss of 101 in 2021. Unfortunately, we had far more deaths than exaltations. 34 of the joins and withdrawals are due to Mt Nebo No. 39 and some of the King Solomon No. 133 merging into Owatonna No. 15 and Marshall No. 65 merging into Fairmont No. 50. After years of no meetings, no annual reports and no per capita paid, Mt. Nebo and Marshall have been closed. The summary for the year is:

Last year there were 4 Chapters which did not submit annual reports. This year there are also 4 Chapters. They are St Peter No. 22, Mt Nebo No. 39, Fairmont No. 50 and Marshall No.65.

Of the 13 Indigents listed, 5 are Active Duty Military whose per capita dues are waived. I have attached detailed gains and losses and reported Exaltations and Deaths by Chapter. If you know of any name spellings or dates that are incorrect, please advise so they can be correct in the Proceedings.

Thank you for allowing me to serve as your Grand Secretary.

Respectfully submitted,
Gary A. Odegard, PGHP

JURISPRUDENCE COMMITTEE REPORT

The jurisprudence committee is responsible to review the actions and business of the Grand Chapter of Royal Arch Masons Officers and subordinate Chapters. They are to make sure that correct work and actions were taken according to the constitution and regulations and that all actions are in compliance with the Minnesota Grand Lodge.

The Grand High Priest is to submit his actions dispensations and appointments well within his power. We also express thanks and appreciation to MEC Carl F Lidstrom and officers for their work in complying with the Grand Lodge, State of Minnesota and Health requirements during the Corona Pandemic, that the royal arch was able to remain viable in correspondence and activity and also keeping members safe. Direction was relayed to local chapters for their compliance. This has created new ways to go about Masonic work and business with zoom and other methods. Our Grand Lodge has contracted with a firm to assist in continuing this method through Internet and other communications and records.

There was a motion by Gary Johnson to accept the Jurisprudence Report by acclamation. Hearing no objections, the report was approved.

CHAPTERS COMMITTEE REPORT

MEC R. Sean Gardiner

During the year, the Grand High Priest received requests from Overseers Chapter No. 103 and Anoka-Shekinah Chapter No. 104 to change their name to their original name and number. After working with the Chapters Committee, the Grand High Priest issued dispensations to change Overseers Chapter No. 103 to Vermillion Chapter No. 2 UD and to change Anoka-Shekinah Chapter No. 104 to Shekinah Chapter No. 52 UD. MEC Gardiner stated that he would entertain a motion to change both permanently. There was a motion by REC Alan Mackenzie, seconded by Phil Bodle, to make both changes. The motion passed. Grand High Priest Gardiner then signed both new Charters. They were attested by Grand Secretary Odegard. GHP Gardiner then invited all of the Companions from Vermillion Chapter No. 2 and Shekinah Chapter No. 52 to come forward and receive their new Charters.

Grand High Priest Gardiner reminded the companions that the ballot box was open and then declared a twenty-minute recess.

RECESS

Grand High Priest Gardiner rapped the session to order and declared the 160th Convocation at labor.

The Grand High Priest inquired if all, who were entitled to, had voted. He declared the ballot box closed and directed the tellers to take charge of the ballot box.

AWARDS COMMITTEE REPORT

Membership Awards

The Chapters have been grouped into Large and Small Chapters with large Chapters having 50 or more Companions. The awards are based on the largest percentage of new Exaltations to total membership at the beginning of the year. This year's winners are:

Minnesota Chapter No. 1 – Large Chapter Award – 10 Exaltations

There were no small Chapter exaltations due to COVID.

Each Chapter receives an Altar Cloth to be used for one year before it is passed on to the next winner.

Triple Tau Awards

The Triple Tau Award is presented to any Companion who is the top line signer on 5 petitions for degrees and the candidates complete all of the degrees. For each additional 3 petitions for the degrees who become Royal Arch Masons, the top line signer will receive a Star Device to be attached to his Triple Tau Award. Due primarily to COVID, there were no winners this year.

Knight of the Royal Arch Awards

Companions for this award are nominated by their Chapter for Meritorious Service to their Chapter. The Grand Chapter selects up to 4 Companions each year for this award from the nominations. This year's awards go to:

...Peter Laudert – Minnesota Chapter No. 1

...Justin Whirley – Iron Range Chapter No. 70

In the past, the recipients received a certificate, a sash or jewel, and a handshake. The Grand Chapter thought they should receive more recognition than that. Brian Dimatteo and Jim Luchsinger wrote an Investiture Ceremony for the Knight of the Royal Arch Award. These new recipients will be invested and dubbed with the award at a public ceremony on November 12th.

Bronze and Kirby Awards

These last 2 awards are presented at the Banquet. Each of these last 2 awards are given to only 1 Companion per year per Grand Chapter.

The General Grand Chapter Bronze Medal for Distinguished Service goes to Todd Jovonovich of Minnesota Chapter No. 1. The Ephraim Kirby Award goes to a Past Grand High Priest who has continued to serve this Grand Chapter or Masonry in a significant manner after his term in office. The Ephraim Kirby Award goes to Charles Marston of St Peter Chapter No. 22.

The Grand High Priest then recognized the presiding officers and members of several appendant Masonic Bodies. He also recognized all Companions who have served in the military, all youth leaders and Chapter Officers.

The Grand Secretary then moved that all remaining Reports not yet presented be approved by acclamation and be included in the Proceedings. Hearing no objections, the motion was approved.

David J. Dumonceaux as Grand King
Michael A. Hilgert as Grand Scribe

REPORT OF THE GRAND KING

TO: The Most Excellent Grand High Priest, Officers and Members of the Grand Chapter of Royal Arch Masons of Minnesota.

It was good to attend meetings in person this year. I attended all Grand Chapter meetings by ZOOM and in person as able. I continue to be active in my home chapter serving as secretary.

I was able to visit many Chapters during the year and it is good to see degree work being done by the Chapters. I participated in the South Dakota Grand Session, the North Central Conference and the Nebraska Grand Session. I was able to attend and participate in the One Day to Chapter, it was a fantastic day and great to see so many new Companions

It was a privilege to serve the Grand Chapter of Minnesota and the companions of the state. I look forward to serving the Grand Chapter of Royal Arch Masons in the next year. I served on a committee to distribute the membership of King Solomon's chapter throughout the Chapters of the state.

It was an honor to serve the Companions of Minnesota and represent the Grand Chapter, I look forward to serving in the future.

Respectfully submitted,

Alan Mackenzie (20)
Grand King

REPORT OF THE GRAND SCRIBE

TO: The Most Excellent Grand High Priest, Officers, and Members of the Grand Chapter of Royal Arch Masons of Minnesota

Most Excellent Companion, Past Most Excellent Companions, Excellent Companions, and Companions all. I hereby submit this report of the Grand Scribe for the year 2021-2022.

This past year has been a year of renewal in my mind. I attended many Chapter Convocations via zoom. Opening back up from the trials and tribulations of Covid and trying to reconnect in person with our Companions has been difficult but has been met with enthusiasm and moderate success. Our One Day to Chapter had a wonderful turnout with 36 new members being exalted. I attend this event and participated by performing parts in the ritual. I thoroughly enjoyed this experience and was happy to contribute but a small part, to making this day the success that it was. Thanks to all who were involved with the setup, ritual, and teardown. My only comment is that we have mandatory practices, so that the experience for the candidates is enhanced and that they are not idle or waiting during this day. Our Chapters are returning to in person convocations and are putting on the degrees. This is the renewal that I was speaking of. Are we 100% yet? NO. But with the continued diligence of the Grand Officers and the Companions of Minnesota, we can get there. Companions; Let us keep up this noble work of rebuilding this Temple to our Lord, without the hope of fee or reward.

I have attended all Grand officer's meetings this year either in person or via zoom. I have traveled to several chapters and brought the greetings of MEC Sean to our Companions.

I have enjoyed my year as Grand Scribe and am looking forward to serving as your Grand King for the ensuing year should tradition prevail.

REPORT OF THE GRAND PRINCIPAL SOJOURNER

TO: The Most Excellent Grand High Priest, Officers and Members of the Grand Chapter of Royal Arch Masons of Minnesota.

My territory roughly covers from Rochester to the Iowa border and from Wisconsin to South Dakota.

I am in contact with my Chapters multiple times weekly and usually daily.

Rochester and Winona open and meet on a regular basis. They have a plan for fall recruitment. The rest of my territory is in the building mode. Fairmont has 2 new members and 6 new petitions for Lodge. We are building Fairmont into a regional center. Worthington has had an influx from the Hispanic community at the factory there. We have received positive indications of interest which hopefully will turn into petitions. I am also the District Rep for King Solomon #133 which is a holding group. We are in the process of assigning those members to another Chapter close to them.

I have been to one out of state Grand Convocation this last year. My goal is to attend all Central States convocations. I am also the Minnesota Rep for Utah and have volunteered for Texas.

I have frequented other Chapters outside my territory. Most notably Anoka Shekinah No.104, St. Johns No.9, Minnesota No.1 and Ark No.53.

I take pleasure in serving the companions of my district and look for more success this next year.

REPORT OF THE GRAND ROYAL ARCH CAPTAIN

TO: The Most Excellent Grand High Priest, Officers and Members of the Grand Chapter of Royal Arch Masons of Minnesota

What a great year it was for York Rite Masonry! I have been afforded many opportunities to get to know fellow Companions from Minnesota and other states around the country, as we began gathering in person once again.

In addition to regular attendance at our Grand Chapter officer's meetings and attending Chapter meetings, I have engaged in the following:

On February 12th, we celebrated the return of the One Day to Royal Arch hosted by St. Johns Chapter No. 9. We had a huge turnout that day and exalted many Companions. Many thanks to all the Companions that turned out to make that day an incredible experience for all.

On March 12th, I had the privilege to attend the East Central York Rite Conference in Fort Wayne, Indiana. This was my first opportunity to participate in a conference outside of our jurisdiction, and it was great getting to know Companions from around the country. There was a great discussion on engagement within Chapters, and I hope to be able to share what I learned with Minnesota Chapters in the coming months.

I look forward to the upcoming year. Thank you for allowing me the opportunity to continue my service to the Companions of Minnesota.

RESPECTFULLY SUBMITTED,

REPORT OF THE GRAND MASTER OF THE 3RD VEIL

TO: The Most Excellent Grand High Priest, Officers and Members of the Grand Chapter of Royal Arch Masons of Minnesota

During the 2021-2022 term, I visited a few different chapters and many Masonic Lodges to promote Royal Arch Masonry, which I feel was well received. It was quite enjoyable to be invited to discuss Royal Arch with Brothers who are interested in continuing their Masonic Journey.

I regularly attended Grand Chapter Meetings and Events as able to with occasional absences due to work and medical issues.

I attended and participated in the One Day to Royal Arch this year which was a wonderful experience.

I regularly attended both of my Chapters, Keystone No.20 and Iron Range No.70. I also continue to serve as High Priest of Keystone No. 20 and help with Iron Range Chapter as needed, which I am proud to say has really started to catch on and not require too much assistance with running the Chapter.

I have truly enjoyed serving the Royal Arch Masons of Minnesota and look forward to serving the Companions of our great state for many years to come.

Fraternally,

EC Philip T. Bodle
